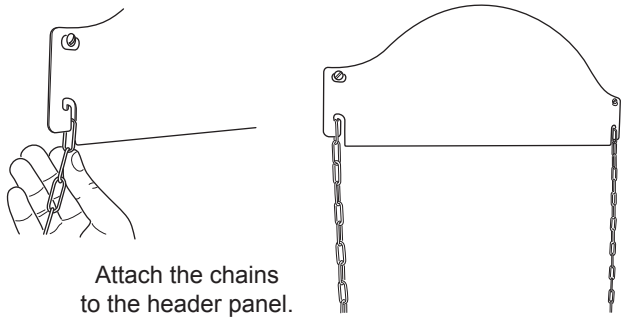
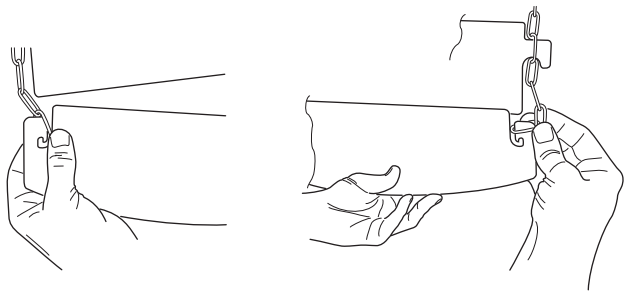
Chalkboard

1



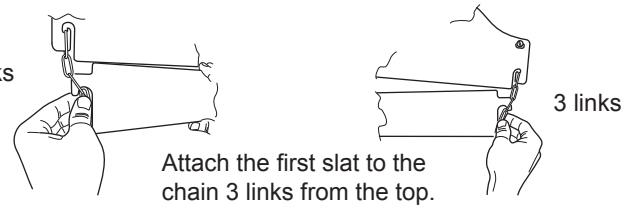
Attach the chains
to the header panel.

3

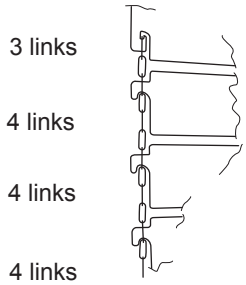


Finally fit the footer panel to the bottom link.

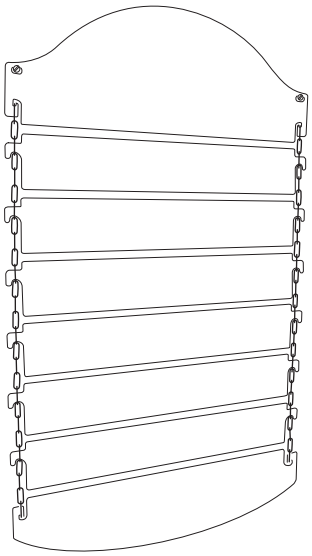
2



Attach the first slat to the
chain 3 links from the top.



For all other slats, attach
to every 4th link.



Individual slats can
be removed, reversed
or replaced one at
a time.
If required, the whole
assembly can be
carefully removed &
reversed to show an
alternative display.

Use 'Chalk Markers' for
best result & 'Mr Muscle'
or equivalent non-abrasive
cleaner for easy removal.
